UEC MOUNTAINBIKE MARATHON MASTERS EUROPEAN CHAMPIONSHIPS AUSTRIA GRAZ STATTEGG > 18. – 19.08.2012

A WEEK OF GENUINELY EUROPEAN DIMENSION! UEC YOUTH ECH, UEC MARATHON MASTERS ECH AND GRAZER BIKE-MARATHON STATTEGG

For the second time in MTB sports history the official title fights will take place in the categories U15 and U17 in Cross Country. Entitled to participate are club, regional and national teams from all over Europe. 246 young riders from 20 nations came together for the first youth championships in 2011. They showed great races and expressed the spirit of European friendship and sportsmanship.

At the UEC MTB Marathon Masters ECH bikers over 30 – whether they are rookies or elite bikers – meet at the World Champion trails of 2009 to fight in one of the ten age groups for their official European master title. Including EC Jersey and national anthem!

At the same time the landmark mountains of Graz will host the competitions of the UCI Marathon Series and the CENTURION Mountainbike Challenge. There are going to be plenty of side events along with various contests for kids, unicyclists and bikers who participate for pure pleasure. Thereby the bikeCULTure region Graz is further promoting their profile as a European Mountain Bike metropolis.
